

OASIS COMMUNITY HOUSING HOPE. NOT HOMELESSNESS.

Thank you for joining us in praying for those facing homelessness. Here are some ways you can pray:

Dear Lord,

We thank you for your unlimited love for each of us, and that you know us as individuals. We pray for each of the 300,000 people experiencing homelessness in the UK, that your love would surround them, that they would have the support and help that they need to leave the traumas of their lives in the past and step forward into the lives that you have for them. Keep them safe and help them to know that they are precious in your sight.

Amen

Dear Lord,

We thank you for all those who work with people experiencing homelessness. We pray that you would give them the resilience, fortitude, patience and understanding that they need to be able to walk alongside people and help them into new lives. Keep them safe and bless their health we pray, that they may be able to do this important work.

Amen

Dear Lord,

We pray for those in national and local government that they may have a profound understanding of the needs of those experiencing homelessness. Guide their decision-making that they would be able to spend the nation's resources wisely and effectively, to help the greatest number of people and to provide the most appropriate care.

Amen
