**Trophy presentation:** December 2026

### The Brief

The London Challenge calls on teams from businesses to compete against each other to win the '2025-26 Origin Challenge Trophy'. Gather colleagues, choose a challenge and compete to win – while helping our life-changing work towards ending homelessness. The team that completes their challenge(s) and raises the most for Oasis Community Housing wins the bespoke 16" silver trophy, handcrafted by FA Cup and Six Nations Trophy makers Thomas Lyte.

Teams of up to five people can enter and take on challenge activities throughout the year until midnight on 31 October 2026. The team with the largest accumulated fundraising total will be declared the winner and awarded the 'Origin Challenge Trophy' in December 2026. The London Challenge programme hopes to raise £100,000 to enable the charity Oasis Community Housing to support men, women and young people in the UK affected by homelessness.

### Rules and Guidelines

#### 1. Eligibility

- The competition is open to businesses primarily from the London area and across South East England. However, Individuals, teams and businesses from other areas of the country may be allowed to enter, upon agreement with Oasis Community Housing.
